

Curriculum Vita

Dr. Rinky Kapoor
Consultant Cosmetic Dermatologist
SL Raheja Fortis Hospital, Mumbai &
Director, The Esthetic clinic, Mumbai, India.

MBBS, MD (Dermatology), DDV (LTMMC and LTMGH, Mumbai, India).
Fellowship trained in Cosmetic Dermatology, Dermatosurgery and Dermatologic Lasers from
National Skin Centre, Singapore.
Visiting fellow at the Stanford Dermatology Center, USA.

Interests:

Cosmetic Dermatology, Non surgical facial skin rejuvenation, Botulinum toxin & Filler therapy for functional & cosmetic facial therapy, Non surgical facelift via Radiofrequency Thermage and Fractional lasers, Management of Hair and Nail disorders, Pigment disorders, Pediatric Dermatology, Dermatologic Phototherapy, Dermatosurgery including Skin grafting and Non culture Melanocyte transplant for treatment of Vitiligo, Acne scar revision surgeries, Cellulite and fat reduction therapies, Dermatologic Lasers including fractional lasers, pigment and vascular lasers, tattoo removal and hair removal lasers.

Immediate Past Position:

- 1) Ex-Consultant and Head - Department of Cosmetic Dermatology and Lasers, Apollo Hospitals, Hyderabad, India.
- From April 2009 to April 2011.

Details of Past & Current Work Experience:

2009 - 2011 Institute of Aesthetic Surgery, Apollo Health City, Hyderabad, India.

Consultant and Head, Cosmetic Dermatology and Dermatosurgery

- Planned and set up a **world class Aesthetic center** equipped with the latest state-of-the-art equipment and facilities from the inception to completion stage, from finances and purchase of equipment to infrastructure planning.
- In capacity as the Head of the Department of Cosmetic Dermatology and Dermatosurgery, examined, diagnosed and treated more than 5000 patients.
- Assisted in advertising campaign and other techniques to generate patient footfalls etc.
- Conducted regular training of staff in the center

- Conducted research activities (currently on **Growth factors for scalp hair growth**) - Coordinated research thrust, arranging funding, publishing papers in peer reviewed scientific journals, etc.
- Conducted **clinical trials** on drugs and laser/non-laser treatments for Aesthetic indications

2006 – 2009 Dr. Rekha Sheth's Skin And Hair Clinic, Mumbai, India

Consultant, Cosmetic Dermatology

- **Examined, diagnosed and managed** more than 10000 patients for dermatological and aesthetic complaints.
- **Gained experience in the latest advances** in Cosmetic Dermatology under the mentorship of Dr. Rekha Sheth {Founder, President Emeritus of Cosmetic Dermatology Society (India)}, especially honed skills required in management of elite aesthetic clients including models, actors and clients from the entertainment industry. Trained to perform, modify and **adapt treatments to Indian skin**, since a good number of trials and studies on many recent advances in Aesthetic Dermatology report results on fair skin.
- Part of a team of ten professionals to plan, develop and improve the Laser suite and Dermatosurgery facility at the clinic, resulting in an **increased revenue generation** for the center.
- Trained a team of 20 beauty and salon professionals to provide their services as adjuncts to mainstream treatment; Conducted **regular staff orientation** programs to ensure well informed and scientifically sound technicians resulting in better patient management and higher consumer satisfaction.
- Participated in the center's **external branding** initiative by publishing various articles on skin health in top Indian newspapers and magazines, led to an increased awareness of the clinic and increase in patient count.
- Participated in the center's **internal branding** strategy by designing procedure and product brochures for the improvement of clinic services, assisting in the development of content for the center's website and designing and conducting presentations and lectures on skin health for many clients including corporates, medical professionals and celebrities.
- Conducted regular trials of drugs, laser treatments and other latest available cosmetic therapies so as to provide adequate quality of care to consumers.

- Appointed **Coordinator of the Organizing Committee** for organizing the Annual Conference of the **Cosmetic Dermatology Society** (India) (CSI) every year, since 2006; Assisted in formulating the conference program, coordinating and networking with national and international faculty, corresponding with pharmaceutical companies for sponsorships, designing, deciding and managing content of the society's website and assisting the team for editing of the CSI journal publication,
- Performed **Radio frequency** for Nonsurgical face lift for patients including latest **Thermage** technique for 25 patients with good success rates, attended Thermage training and workshops by **Mr. Boris Kunsevitsky** (Singapore based world renowned training expert on Thermage use).
- Trained in **Botox and fillers** by **Dr. Susan Weinkle** in December 2007 (World renowned expert dermatologist on board of directors of American Academy of Dermatology, USA, practicing in Florida, USA).
- Performed more than 800 **Dermatosurgeries** including skin grafting and cryotherapies Performed and improved techniques of different types of **Chemical Peels** i.e. TCA, Glycolic, Salicylic, Retinol, Pyruvic, Jessner's, Arginine, Lactic, Kojic, Biopeel and Combination peels.
- Performed more than 3000 **Laser** procedures including Diode hair removal laser, Skin station, Nd YAG laser for hair removal, Intense Pulse Light therapy, Smooth beam (long pulsed Nd YAG), laser peel (Erbium glass), fractional lasers including Fraxel, Affirm, Pixel laser, Harmony platform for acne scars, pigmentation, skin rejuvenation and tightening, scar management, stretch marks, etc. Managed patients with complications from other practices effectively.
- Administered **Botox, Dermal fillers & Mesotherapy** for facial rejuvenation (for fat reduction, cellulite reduction, hair regrowth).
- Attended and presented papers in many workshops on Botox, fillers, lasers, dermatosurgeries, micro-dermabrasion and advanced micro-dermabrasion to keep abreast of the latest in the field.
- Performed **Cellulite reduction** by Slim Concept with 50% patient satisfaction rate.

2008 National Skin Center, Singapore.

Visiting International fellow, Dermatology, Dermatosurgery and Dermatological Lasers

- Awarded the **International Dermatology Fellowship** by the International Society of Dermatology (2008). This was the **first ever** international fellowship at the National Skin Centre (NSC) that has ever been sponsored by the International Society of Dermatology.

The NSC is the largest and only institution of its kind in Asia completely equipped and wholly dedicated to providing comprehensive total care in Dermatology.

- Improved understanding of therapy in different skin types by examining more **than 2500 patients** with Dermatological complaints catering to almost every demographic and ethnic group, by evaluating new and improvised investigation systems and treatment protocols in patient management.
- Trained in **Advanced Dermatologic Lasers on Asian skin** in about 350 patients, under the **mentorship of Prof. CL Goh**, Director emeritus and Head of the Department of Lasers, including Fractional lasers Fraxel, MixtoFractional CO2 laser, Pigment lasers, Pulse dye lasers, Carbon Dioxide laser, Ellipse Intense Pulse light, Neodymium YAG Laser, at the Mandalay Laser Clinic. Evaluated the requirements and functioning of an ideal laser set-up of International standards, selection of laser treatment protocols and management of complications of laser procedures.
- Trained in advanced cosmetic uses of **Botulinum toxin and Fillers**, with special emphasis on Non-surgical facial contouring techniques.
- Observed **Non surgical facial rejuvenation** techniques including Thermage and Fractional Lasers in 30 patients, and also use of Thermage for skin tightening and contouring for arms, buttocks, abdomen.
- Trained in improved techniques in performing **Dermatosurgical** procedures like cryotherapy, skin grafting, skin excisions, ablative radiofrequency and derma-rollers.
- Assisted in **Non culture melanocyte transplant** for the treatment of stable vitiligo. This latest technique has high success rates but is still not available in India.
- Participated in the intricacies of establishment, functioning and participated in the management of a well equipped **Phototherapy** centre.
- Conducted examination and reporting of **Immunofluorescence** slides independently, under the guidance of Prof. Chuah, an authority on the subject.
- Trained in **Photodynamic therapy**, an internationally upcoming preferred modality of therapy for various Dermatological disorders.
- Trained in specialty management of various Functional dermatologic disorders including hair disorders, contact dermatitis, skin allergy, bullous disease, wound care, pigment disorders and pediatric dermatology.
- Attended and presented in various seminars, journal clubs, case management forums, lecture series and live demonstrations, thereby developing relationships and future

networking opportunities with the best known dermatologists in the Asia-Pacific region, many of whom are at the forefront of cosmetic dermatology practices worldwide today.

- Invited by the Director Emeritus of the NSC to educate and address post graduate students and fellowship aspirants about the need for acquiring sound international exposure and experience in the practice of dermatology and cosmetology in different races.

2003 – 2006 Lokmanya Tilak Municipal Medical College and General Hospital, Mumbai, India

Resident, Department of Dermatology

- Examined, diagnosed and managed about 100,000 patients with dermatological problems.
- Managed hair, pigment, allergy, eczema, bullous disease, sexually transmitted disease in individual special clinics resulting in organized management of patients and convenient follow up visits.
- **Initiated cosmetic procedures** like chemical peels and micro-dermabrasion, and skin grafting by suction blister technique for vitiligo treatment in the department and **further developed sub-specialty training in cosmetic dermatology**, resulting in increased revenue generation for the Department which was utilized for developing better educational facilities for post graduate students.
- Assisted in **developing further the immunofluorescence department, the only one of its kind in Maharashtra**, resulting in better patient care and increased revenue generation for the Department.
- Appointed as **Co-Investigator for clinical trials conducted at Unilever, India** (2004).
- Awarded the **‘Best thesis of the year’ award for 2006** at the National Conference of the Indian Academy of Dermatologists, Venereologists and Leprologists (IADVL) for a thesis on ‘Evaluation of safety and efficacy of topical Prostaglandin E2 in the treatment of vitiligo’, at the National IADVL conference, 2006. **Selected as the best thesis across India from a total of about 100 post graduate theses submitted.**

Educational qualifications:

2008 NATIONAL SKIN CENTRE, Singapore - Awarded Visiting International fellowship in Dermatology, Dermatosurgery and Lasers for professional excellence

2005 COLLEGE OF PHYSICIANS AND SURGEONS, Mumbai, India - DDV (Diploma in Dermatology and Venereology)

2003 - 2006 MUMBAI UNIVERSITY (LOKMANYA TILAK MUNICIPAL MEDICAL COLLEGE AND GENERAL HOSPITAL, *Mumbai, India*) - MD Dermatology, Venereology and Leprology, Second in University Winner of the best thesis award for 2006 out of 100 all India postgraduate theses submitted

2001 - 2002 MUMBAI UNIVERSITY (LOKMANYA TILAK MUNICIPAL MEDICAL COLLEGE AND GENERAL HOSPITAL, *Mumbai, India*) - Resident, Department of Pediatrics

1995 - 2000 MUMBAI UNIVERSITY (LOKMANYA TILAK MUNICIPAL MEDICAL COLLEGE AND GENERAL HOSPITAL, *Mumbai, India*) - Bachelor of Medicine and Bachelor of Surgery (MBBS), Top 1% of class Distinction in Pathology, Microbiology, Preventive and Social Medicine

Observerships and courses:

2009 STANFORD SKIN AND LASER CENTRE, *California, USA* - Visited Dr. Hayes Gladstone, Head of Department of Advanced Cosmetic Surgery Center, Stanford University School of Medicine

2009 CALIFORNIA SKIN INSTITUTE, *California, USA* - Visited and assisted Dr. Greg Morganroth, Director, Dermatologic Surgery and Lasers

2009 HANKENSACK UNIVERSITY MEDICAL CENTER, *New York, USA* - Visited Dr. David Goldberg, Head of Department of Dermatologic Surgery and Lasers

2009 SIRIRAJ HOSPITAL, MAHIDOL UNIVERSITY, *Bangkok, Thailand* - Visited and assisted Dr. Woraphong Manuskiatti, Head of Department of Dermatosurgery and Lasers

2009 BUMRUNGRAD INTERNATIONAL HOSPITAL, *Bangkok, Thailand* - Visited and assisted Dr. Woraphong Manuskiatti, Head of Department of Dermatosurgery and Lasers

2009 MJ AND ORACLE DERMATOLOGIC CLINICS, *South Korea* - Visiting Observer in Dermatosurgery and Lasers

2009 WON TECHNOLOGIES, *South Korea* - Certificate course in Pigment, vascular and hair removal lasers

Honours/Awards:

- Nominated in the category of **India's Most Admired Beauty Expert** (Medical Profession) in the 4th Annual India Leadership Conclave and Indian Affairs Business Leadership Award 2013 Nominations
- Awarded the **WCD 2011 Scholarship** to attend the World Congress of Dermatology in Seoul, South Korea - Awarded by the Indian Association of Dermatologists, Venereologists and Leprologists (IADVL) in 2010.

- Selected for the **WCD 2011 Scholarship** to attend the World Congress of Dermatology in Seoul, South Korea - Awarded by the Cosmetic Dermatology Society (India) in 2010.
- Biography selected for inclusion in the 2011 (28th) Edition as well as the forthcoming 2014 edition of **Marquis Who's Who in the World**, the world-renowned reference directory by the publisher of *Who's Who in America*.
- Appointed by invitation by Pantaloon Femina as Consultant Cosmetic Dermatologist for the **Femina Miss India 2009** finalists, and as official skin care expert for **Dance India Dance** contestants for Zee Television channel, 2009.
- Awarded **International Dermatology Fellowship** for the year 2008 at the National Skin Centre Singapore under the mentorship of Professor CL Goh, Director Emeritus, Professor and Head Department of Dermatologic Lasers, National Skin Centre, Singapore. This fellowship is awarded on the basis of academic excellence, professional expertise and demonstrated ability to contribute to the future research and progress of Dermatology.
- Selected **Fellowship in Clinical Dermatology/Phototherapy/Dermatosurgery** under Dr.S.Criton, by a panel comprising of the senior most Dermatologists in the country from the Indian Academy of Dermatology, Venereology and Leprology (IADVL), 2008. **Only one fellowship awarded every year for demonstrated professional excellence**, selected from young dermatologists across India
- Awarded **Best thesis of 2006 (All India award)** for my thesis 'Evaluation of safety and efficacy of topical Prostaglandin E2 in the treatment of vitiligo', at the National IADVL Conference, 2006.
- Secured Runner up position in **National Dermatology Quiz**, West zone, from amongst 40 teams, organized by IADVL, 2005.
- Awarded merit scholarship by the **Government of India**, under the **National Scholarship** Scheme, 1994.
- Awarded runner's up position in North Mumbai T Ward Science Competition, from amongst 25 teams, 1992- 1993.

Memberships:

- Life member - Indian Academy of Dermatology, Venereology and Leprology LM/M/4437
- Life member - Cosmetic dermatology Society (India) (LF 940)

- Life member - Indian Medical Association
- Member of International Society of Dermatology
